Education

Our extensive experience and high-quality traffic in the education vertical can be brought to bear for your campaign. We can generate revenue by either bringing traffic to a 3rd party site, or by capturing leads from T3Media owned URLs.

Those who have an interest in educational leads will find our traffic and T3Media leads to be high-quality. We work with our advertisers to ensure our traffic generating campaigns as well as our EDU lead generation sites meet their standards of compliance. Optimization of our

campaigns and landing pages is also coordinated with our advertisers to ensure both high-quality and high volumes of traffic are available.

Contact us if you are interested in further details. We are glad to discuss how we can support your educational campaigns.

We Offer the Following Services in the Education Vertical:

- Lead Generation Through Internal URLs with High Quality EDU Traffic
